FAMILY NEWS

24 June 2026

Edition 08/2026

FROM THE PRINCIPAL'S DESK

Dear Parents and Guardians

As we come to the end of a busy and rewarding Term 2, I would like to take this opportunity to thank our learners, staff, and families for their hard work, support, and commitment throughout the term.

At the end of this term, we have much to celebrate. Not only have our learners been busy on the sports field and in the classroom, but they have also successfully completed their June controlled tests. Their hard work, preparation, and positive attitude are reflected in their marks, and I am sure your parent meetings this week gave you a chance to celebrate their achievements.

An exciting milestone was the completion of our new Astro Turf. This wonderful addition to our school facilities provides learners with a space to develop their sporting skills, enjoy physical activity, and participate in a variety of school events. Watching the children play on the turf and soaking in every minute of what it has to offer has been truly rewarding. I have no doubt the turf will bring hours of enjoyment to every child at Timour Hall.

Our learners have enjoyed camps, a sports tour and outings during the term. These experiences have provided valuable opportunities for learning beyond the classroom, helping learners build confidence, teamwork, independence, and lasting memories.

As we head into the June holidays, I encourage everyone to take the opportunity to rest, recharge, and spend quality time with family and friends. We look forward to welcoming all our learners back next term, refreshed and ready for the exciting opportunities that lie ahead in term 3.
