FAMILY NEWS

21 September 2026

Edition 12/2026

FROM THE PRINCIPAL'S DESK

Dear Parents,

As we come to the end of another busy and rewarding term, I would like to thank you for your continued support and encouragement throughout the term. It has been lovely seeing so many parents on the side of the sports field, engaging with teachers about your child's academics and supporting your child in every facet of school life.

It has been wonderful to see our learners grow, learn and develop both academically and personally. I am incredibly proud of their efforts and achievements, and I look forward to seeing them continue to thrive as we enter our final term of the year.

The last term is always a busy one in the school calendar. While it is short and goes by quickly, it is still a time to celebrate the progress our learners have made and encourage them to finish the year with enthusiasm, determination, and a positive attitude. The term is action-packed, filled with many activities and events.

We encourage our learners to return after the holiday refreshed and ready to make the most of the final weeks of the school year. Every day counts, and we want to end the year on a high note, celebrating all we've achieved together.

Thank you once again for the role you play in supporting your child and our school. Your involvement makes such a difference, and we truly value the strong partnership between home and school. I wish all our families a safe, restful and enjoyable holiday. We look forward to welcoming everyone back for our final term and making it a happy, successful, and memorable one.
